Ms. Dorothy Wallis  
Project Administrator  
Life Choice Project  
3813 North Flannery Rd.  
Baton Rouge, La. 70814

Dear Ms. Wallis:

The Women's Resource Center is the only life affirming organization of its kind and scope in central Louisiana. The impact of the services we provide cannot be underestimated, especially in offering alternatives to abortion.

The staff of Caring to Love Ministries has been an enormous help in providing leadership, accountability, and resources to help administer the services we provide. We entirely support Ms. Wallis and her team of individuals and request that CTLM continue to administer this project in the future.

With Natchitoches Parish being a large rural parish, with a high incidence of poverty, and a large percentage of the population being minority, the Life Choice Project has been instrumental in helping the WRC to reach and serve well over two thousand young women. Our parish statistics rank among the highest in teen pregnancy, occurrence of STDs, and infant mortality. Because of LCP, we are reaching a large percentage of these at-risk women with resources and support to help them to make life affirming decisions regarding both their health and pregnancies. The benefits of being able to provide such in-depth information, education, and support are not just anecdotal. While assessing the preterm delivery rates of our clients during the 2015/2016 grant period, we noticed that the preterm delivery rate for our clients was significantly lower than that of the surrounding parishes and state. We feel that this is a direct result of the additional education and support that clients receive from our program which is significantly enhanced by partnering with the Life Choice Project.

We are extremely grateful to CTLM and the legislators of the state of Louisiana for making these funds available to our pregnancy help medical clinic. The impact these funds have made in our community is invaluable, and we sincerely request that they continue in the coming year. Please help us to continue this great work.

Sincerely,

Beverly Broadway  
Executive Director

*The Womens Resource Center was truly a blessing. I was completely nervous about having my first child. I knew the absolute least about caring for myself and caring for a newborn. They helped with all of that. I took every class possible and they were very informative. I seriously don't know what I would have done without them.*

We have enjoyed the opportunity to serve.

A Pregnancy Center & Clinic

215 College Rd. Ste 206 Lafayette, LA 70503 Phone: 337-222-5169

July 27, 2016

To Whom It May Concern:

A Pregnancy Center & Clinic is a 501 ( c ) 3 medical clinic and educational resource center. In 1985 our agency was founded to assist young women and girls experiencing unplanned or crisis pregnancies. The majority of the clients we serve are from Lafayette Parish. We provide pregnancy testing, counseling on pregnancy options, ultrasounds, referrals to OB/GYN's and material assistance at no charge.

For more than a decade, we have had the privilege of participating in the Louisiana Life Choice Project under the direction of Dorothy Wallace and Caring to Love Ministries. The Louisiana Life Choice Project has provided the funds necessary for us to continue providing abortion alternative services to our community. We support Dorothy Wallace and the Life Choice Projects' mission to aide these girls and women in their time of need. The inability to receive these funds will greatly limit our ability to provide services to the community.

Most sincerely,

Patrice Lewis  
Executive Director  
A Pregnancy Center & Clinic

It's a very positive place with people who care. I heard about the clinic through a customer at work. With my first pregnancy I went through a different program and was skeptical doing it on my own. But coming to the clinic was very helpful and I will be recommending it to others.

We have enjoyed the opportunity to serve.

Please come back if you need us again.

My experience here at Apcc has been wonderful. During my first pregnancy this was the first place that I came. They are always willing to help and go extra to make sure your entire pregnancy is as comfortable and easy as possible. They also make sure that you have everything that you need to exit the hospital and start your journey with your new bundle of joy.

We have enjoyed the opportunity to serve.

To Whom It May Concern:

As Administrator of ACCESS Pregnancy and Referral Centers, I wish to personally attest to the success of the Louisiana Life Choice Project (LLCP) and the effect it has had on our efforts to assist women to choose life for their unborn babies.

Through participation in this project, we were able to redefine ourselves from a "crisis Pregnancy center" to a center that was a true medical model of pregnancy services. We engaged the services of a nurse manager, procured an ultrasound machine to illustrate fetal viability, and offered classes in pre-natal care and childbirth as well as nutrition during pregnancy.

We were able to open our centers on a daily basis with regular hours because we were able to hire paid staff. As an added benefit, the LLCP afforded the opportunity for advanced training for the staff and volunteers at our centers.

Additional funding of the project will allow for ongoing operations and enhanced services pregnancy centers in our state and this will facilitate the sharing of ideas and help us to resolve any challenges that we may share.

The LLCP certainly has been one of Louisiana's success stories. I hope that funding for this program will continue, thereby allowing us to provide pregnant women and their families with the support necessary for them to enjoy a healthy pregnancy and to deliver a healthy baby.

Very truly yours,

Madeline Kugelman  
Administrator  
ACCESS Pregnancy and Referral Centers

### TESTIMONY

Early in 2009, I was attending a health fair at a local college. A lady came up to me and said that I looked familiar and that I had been her client advocate at ACCESS Pregnancy and Referral Center.

She reminded me that she was abortion minded at the time and the only reason she came into our office was because I told her it would be in her best interest to receive a copy of the state supplied booklet, "Abortion - Making a Decision" published by the Louisiana Department of Health and Hospitals, and also another pamphlet that would serve her well entitled "Abortion Disclosure Form - Patient's Rights." I made sure that she knew these contained both secular and factual information. I explained that she needed to make an educated decision, not one fueled by fear.

During the session, she was surprised to find out that we could offer her a complimentary ultrasound to make sure that she was pregnant before she made any hasty decisions. Our ultrasound program was a product of belonging to the Louisiana Life Choice Program.

We set up an appointment for the ultrasound and continued to explore the reasons she was seeking an abortion. Some of her concerns were medical assistance and continuing her education at the college level. She was adamant that her family would not help her through this crisis. I inquired if her mother and father had any grandchildren and she replied "no." Don't you think, I asked, that they may think about this pregnancy differently when they realize you are carrying their first grandchild?

She came in for her second visit and had an ultrasound that proved she was indeed 12 weeks pregnant. I talked to her at that visit and she said that she would let me know if she was going to keep the baby.

She had asked that I respect her privacy and not make any calls to her. Time passed and I never heard from her again, until the day that she showed up at the health fair. She explained that she would be graduating next semester from college. She opened her purse and removed a picture of a beautiful little girl being held by her grandmother. Then she broke into tears and began to thank me for "being there for her in her time of crisis." After a few minutes, we said goodbye and as she was leaving handed me a check for \$500.00 "to help others as we had helped her."

If not for the Louisiana Life Choice Project, we would not have had the resources to assist this woman with abortion alternative options.

**Subject:** Thank you

Dear Margaret

Thank you so much for seeing me today, and for your calm, reassuring and professional manner. I've been so worried, given my history, about this pregnancy and so to be seen today, so quickly and efficiently at no cost was an absolute blessing to me and to my family.

I am so thankful for the work you do: what valuable and essential work it is, offering such support to people in vulnerable situations. I saw your office handing out diapers; a fantastic resource for all moms in different stages of life knowing you are there with resources and advice if it's needed.

God bless you all, and the work you do. What gifts you all have and I know God is proud that you are using them to bring so much comfort and support to so many women and families. I know that God works through people like you, and I saw it today.

I wish you and all the team at Access the very best.

Camilla

Dear Sirs,

Women's Life Ministries, Inc. would like to acknowledge the wonderful results in serving Louisiana residents through The Louisiana Life Choice Project. It allows many services to clients and their partner or families that would otherwise be missed. Healthy moms and healthy babies are vital to our communities and provides Life Choices for the Future.

Many Louisiana budget cuts are affecting services from other agencies such as local health units which in turn cause many referrals of young potentially expectant young women to us. LCP funds have allowed us to continue serving low income young women in our 5 parish area, much of which is considered rural. WLM also has a direct outreach toward the fathers that are a part of the pregnancy equation and assist with education as to becoming a father.

Women's Life Ministries wishes to whole heartedly thank Caring to Love Ministries for spearheading and administrating this opportunity to serve Louisiana residents. WLM applauds CTLM for their tireless effort. Caring to Love Ministries, Women's Life Ministries, and many other Louisiana pregnancy centers offer the Life Choice Project's life affirming services in many parishes.

Thank you,

Teresa Ragusa

CEO

Women's Life Ministries, Inc.

July 27, 2016

To Whom It May Concern:

Restoration Pregnancy Resource Center is grateful to have been a recipient of Life Choice Project funding that has allowed us to serve vulnerable populations in our community.

These funds are used to help us serve the needs of expectant mothers and their newborn infants. The population we serve are in desperate need of the services and resources we are able to provide with the help of the Life Choice Project.

We believe the prenatal screening, prenatal care, and health educational services we offer help empower women to make choices that will assist them in reaching a sustainable lifestyle. In many ways we are a lifeline to those who reach out to us for assistance, and the services and resources we are providing are vital to women, children and families in need.

Sincerely,

Beth Davis, Executive Director  
Restoration Pregnancy Resource Center  
Hammond, Louisiana

My testimonial:

After receiving news that I would be expecting my 3<sup>rd</sup> baby I instantly contacted the Restoration House. The help & counseling that they offered me through this pregnancy really helped me & my family a lot. I would refer this place to anyone I know that is expecting & don't have help. They have such big hearts. Great ~~women~~ women sent from God. Thank you all so much.

Sincerely

~~Janet, Sue & family~~

family

1. I've been blessed by the R.H. The staff has been professional and polite. My Faith was restored through their ministry. I'm grateful for all that was done for me. There will always be love and appreciation in my heart for this origination...

Love

~~\_\_\_\_\_~~

This is our second time with the Restoration House. Both experiences have been phenomenal. With our first ~~pregnancy~~ pregnancy we knew absolutely no one in Hammond and even less about pregnancy or becoming parents. However, after our time with the amazing people at the Restoration House, we were a lot more prepared to become parents. This was also the ~~other~~ only place to include my husband/child's father in anything going on. We feel like family when we come here and are extremely grateful to the entire staff!

Baton Rouge, Louisiana 70814

Re: Care Pregnancy Center, Lake Charles  
Letter of Intent

Dear Mrs. Dorothy Walls

It's with great expectation to become a part of the Life Choice Project. We are so excited about helping women through their pre and post pregnancy and the pregnant mothers fathers. Our desire is to provide mothers' who thinks they are pregnant or have a confirm pregnancy make healthy decisions for themselves and their baby.

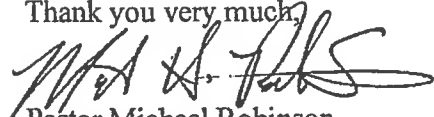

The Caring to Love Ministries has over thirty four years of effective birth outcomes with women experiencing unplanned pregnancies and we are happy to come on board.

We look forward to supporting the Life Choice and we thank you in advance for allowing us the privilege of doing so. It is with sincere appreciation that we press forward to bring this work of reducing the infant mortality rate to Lake Charles, through the Life Choice Project.

I anticipate beginning the application process and scheduling the orientation training at your earliest convenience.

If you need any further information, please feel free to contact me at 337-529-6747.

Thank you very much,

  
Pastor Michael Robinson

Mrs. Dorothy Wallis  
Caring to Love Ministries  
3813 North Flannery Road  
Baton Rouge, LA 70814

Dear Mrs. Wallis:

The Potter's House is delighted to be partnering with the Louisiana Life Choice Project (LCP) once again. As a past participant in the LCP coalition, we know the value of the services that women receive through this program, as it has helped many women in our area. One of the main reasons we are excited about working with LCP again is knowing that families in need can receive not only accurate medical information concerning their pregnancies but also material goods that enable them to provide for their babies in their own homes. We also appreciate that clients going through the LCP program have the opportunity to learn life long skills about raising a happy, healthy child and about maintaining good family relationships.

We are excited to be able to join with this coalition, as we are certain it can only benefit the women of Calcasieu and the surrounding parishes. We look forward to working with you again.

Sincerely,

Rev. Leona C. Benoit  
Executive Director  
Potter's House

To Whom It May Concern:

This is to wholeheartedly extend my fullest endorsement to Dorothy Wallis, Founder and President/CEO of Care Pregnancy Clinic. She has served women in crisis situations since 1982. Dorothy has given countless hours in selfless effort to assist counseling centers around the nation and locally to become effective medical clinics.

Dorothy has been a strong advocate in the community. She is without a doubt dedicated to promoting health and education to the unplanned pregnancy population. She is genuinely dedicated to this work and is most resourceful in serving the clients that come to the Care Pregnancy Clinic for help. There is a great need for a clinic of this type in our community.

I highly recommend funding for this organization. If I can be of further assistance, please do not hesitate to contact me directly at (225) 330-6305.

Sincerely,

  
Rene' Taylor  
Executive Director

August 2, 2016

To Whom It May Concern:

Please accept this letter of support on behalf of *Caring to Love Ministries/Care Pregnancy Clinic* who for the past 36 years, under the leadership of Dorothy Wallis, President/CEO, of the Care Pregnancy Clinic has assisted over 128,000 women in crisis situations. Dorothy not only directs the Care Pregnancy Clinic in Baton Rouge, but has also offered countless hours in assisting counseling centers around our state and nation to become medical clinics.

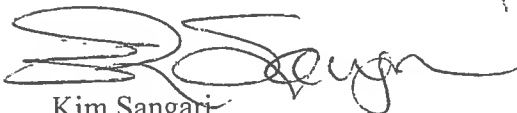

As a proven leader in our community, Dorothy Wallis is dedicated to the mission of providing education, care, and outreach to those who have found themselves in an unplanned pregnancy. She possesses care and compassion for this organization as well as commitment to the executive abilities that have made the Care Pregnancy Clinic successful. A number of Louisiana Women's Healthcare physicians and nurse practitioners have volunteered their time and energies to helping these women who do not have obstetrical medical monitoring.

It is our pleasure to highly recommend Dorothy Wallis and *Caring to Love Ministries/Care Pregnancy Clinic*. This organization empowers the pregnant women of our community to make healthy choices for themselves and their babies.

Sincerely,

Frank Breaux, MD  
Chairman and President

Kim Sangari

July 29, 2016

To Whom It May Concern:

I am writing this letter to give my full endorsement of Dorothy Wallis, Founder and President/CEO of Caring to Love Ministries, Inc., Baton Rouge, Louisiana. She has served women in our community since 1980. In addition to directing the Care Pregnancy Clinic here in Baton Rouge, she also assists other counseling centers around our state and nation. The Care Pregnancy Clinic provides a very important service in our community to provide care, support, and counseling to those who have found themselves in an unplanned pregnancy.

Dorothy is very caring and compassionate towards the women she serves, and also excels in the administrative and executive skills needed for her role. I have been familiar with Ms. Wallis and her ministry for many years, and have been a volunteer at her clinic in recent years.

I highly recommend Dorothy Wallis and her ministry. If you need any further information from me, please do not hesitate to let me know.

Sincerely,

Sharon Hedges, MD  
Staff Physician  
Ochsner Clinic Department of Obstetrics and Gynecology

*Healthcare*

Dorothy Wallis  
Caring to Love Ministries  
3813 N. Flannery Road  
Baton Rouge, LA 70814

Dear Dorothy,

Thank you so much for everything that this clinic does for pregnant women. Everyday, women who are facing unplanned pregnancies and difficulty with finding prenatal care come into the Care Pregnancy Clinic and find refuge with the amazing staff. The qualified and trained counselors, nurses, and healthcare providers are more than happy to step in and fill a role that these women are in dire need of.

I am lucky enough to see first-hand the positive effects this clinic has on women. I only wish that others would be able to see the same. The staff inspires women to embrace motherhood and plan for the future. They are excellent at providing focused support for the women experiencing a crisis or unplanned pregnancy.

I also would like to commend you on your devotion to providing these clients with basic home needs. These clients are visited at home by nurses trained to provide even more support. Clients are provided food, clothing, diapers, and household to meet their needs. Most importantly, and what makes the Care Pregnancy Clinic stand out among the rest, is the availability of having an on-site ultrasound machine. Being able to see their unborn baby is the most profound way to begin the bond between mother/father and child! I have had countless women come to me in tears after discovering they were pregnant, and leave with the glimmer of hope, and even a smile when they see their "baby".

So please continue the good work - and I will be there to support you every step of the way.

Thanks again, so much.

Tessa D. Renaud, APRN, FNP, ANP

August 2, 2016

Ms. Dorothy Wallis  
Caring to Love, Inc.  
3813 North Flannery Road  
Baton Rouge, LA 70814

Dear Dorothy:

I would like to express my gratitude to you for the Care Pregnancy Clinic which has been, for so many years, a refuge for women in our community who have faced a crisis pregnancy. Throughout the time I have volunteered my services at the clinic, I have been impressed not only with the care and compassion given to the women who seek help, but also with the effort made to educate them about pregnancy in order to ensure a good outcome. The prenatal period is a very critical time that can influence the health of the baby as well as the mother. The implementation of the drug, alcohol, and domestic violence prevention program, along with screening for sex trafficking, has proven to have a great impact on the lives of these women. Their awareness of the deleterious effects of substance abuse during pregnancy is evident when I talk to them at the clinic prior to their examinations.

Your involvement in providing aid to pregnancy centers all over Louisiana and your leadership in providing prenatal education to at risk women has had far-reaching effects.

With your support, the "Safe Haven Bill" has helped to discourage mothers from throwing their babies away and has encouraged them to protect their babies by surrendering them to a "safe haven." I believe that this program emphasizes to pregnant women and the others whose lives they touch the importance of making the correct decision when it concerns the health of their babies or themselves.

Sincerely yours,

# Heartbeat

COPY

August 1, 2016

To Whom It May Concern:

Heartbeat International is an affiliated network representing more than 2,000 pregnancy help organizations (including pregnancy resource centers, pregnancy resource medical clinics, maternity homes, and non-profit adoption agencies) across the United States of America and including 50 other countries. Heartbeat provides education and consultations for our affiliates to maintain standards of excellence in operation, governance, and program services.

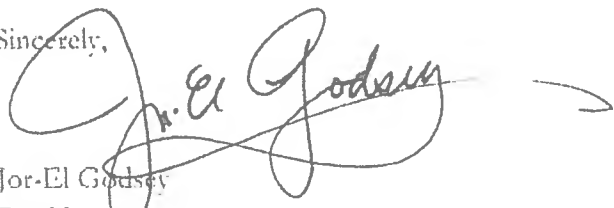

We are writing to commend to you a long-standing leader in the pregnancy help movement, Mrs. Dorothy Wallis, as an expert in teen pregnancy prevention and related areas. Mrs. Wallis has extensive experience with life-affirming, pregnancy centers and clinics in encouraging strong standards of excellence.

Mrs. Wallis has established special expertise in the state of Louisiana, where she founded Caring to Love Ministries in 1983. Care Pregnancy Clinic, part of Caring to Love Ministries, is a pregnancy help center that serves the community faithfully at no cost to the clients that they see. As the President and CEO of Caring to Love Ministries, Mrs. Wallis champions high standards of care.

In addition to her role in her own organization, Mrs. Wallis has also worked in Louisiana to help state and private organizations collaborate for the benefit of all. She is also personally involved in direct services to teens, extending loving help and support to them, both to prevent teen pregnancy and to support those who have untimely pregnancies.

Her experience and character makes her especially qualified to serve in a leadership position in Louisiana in any area related to prevention of and services regarding teen pregnancy.

Sincerely,

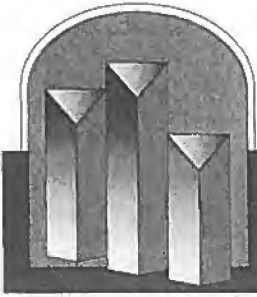

Jor-El Godsey  
President

## National Institute of Family and Life Advocates

Thomas A. Glessner, Esq., President • Anne J. O'Connor, Esq., Vice President of Legal Affairs  
Audrey Stout, RN, RDMS, Vice President of Medical Services • Byron C. Calhoun, MD, Medical Director

August 1, 2016

### TO WHOM IT MAY CONCERN:

The National Institute of Family and Life Advocates (NIFLA) was established in 1993 as a network of Pregnancy Resource Centers (PRCs) and currently has 1,350 member PRCs nationwide. NIFLA serves as a legal advisor to ensure that these centers are in full compliance with legal and ethical standards.

I have known Ms. Dorothy Wallis for nearly 30 years and have worked with her extensively during this time in developing national standards of operation for PRCs. Ms. Wallis has more than 30 years of experience providing comprehensive women's health programs to teens and women experiencing unplanned pregnancies.

Ms. Wallis founded Caring to Love Ministries in Baton Rouge, Louisiana in 1983. Her pregnancy resource medical clinic maintains excellence in the standards of practice.

I highly recommend Ms. Dorothy Wallis as a professional with a proven track record in teen pregnancy prevention. Her efforts over the years in providing effective life-affirming services have resulted in changed lives as she extends a loving hand to teens, offering them real hope.

Ms. Wallis has consulted with numerous PRCs and medical clinics nationally. She has been a team builder in the state of Louisiana bringing state and private organizations together in order to assist teens and women. Ms. Wallis has also been effective in collaboration with state and federal organizations in helping to ensure that these centers are in legal compliance.

I am confident that with her experience with PRCs that Dorothy Wallis is highly qualified to advance any program that addresses the problem of teen pregnancy in Louisiana.

Sincerely,

Thomas A. Glessner, JD  
President, NIFLA

St. Vincent de Paul Community Pharmacy – St. Vincent de Paul Thrift Stores

August 1, 2016

To Whom It May Concern:

On behalf of the Society of St. Vincent de Paul, this letter will serve as our endorsement of Caring to Love Ministries. Dorothy Wallis, President and CEO of Caring to Love Ministries, is an expert in teen pregnancy issues, and she is to be commended for her work in providing alternatives to abortion.

Ms. Wallis and Caring to Love Ministries have served women in crisis situations since 1982 and are dedicated to the task of promoting education, care and outreach to young women who are struggling to deal with unplanned pregnancies. This organization has helped so many young women to overcome numerous challenges and obstacles during a very difficult time in their lives.

Lives have been changed in a remarkable way because young women were provided alternatives to abortion. It is our understanding that all services are provided in a manner that supports the beliefs of faith-based organizations. The services of Caring to Love Ministries are life-affirming, and they do not provide or promote birth control or other contraceptive practices.

Based on a track record that is above reproach, we fully support the efforts of Caring to Love Ministries. We highly recommend funding for this worthwhile organization.

Sincerely,

Michael J. Acaldo  
President & CEO

To Whom It May Concern:

As President and CEO of the Greater Baton Rouge Food Bank, I am writing this letter in support of the Care Pregnancy Clinic's Teen Health Project. The Food Bank currently provides and will continue to provide food for families and their children.

We support the Care Pregnancy Clinic's proposal and urge you to support the organization's proposal.

To Whom It May Concern,

Dorothy Wallis, founder and President/CEO of Care Pregnancy Clinic has been an asset to the Baton Rouge community for many years, providing direction, education, support and medical treatment to area females during a critical time in their lives.

Ms. Wallis has also supported the education of our career college by offering educational opportunities to students in varied medical fields. During this process, she has even provided employment to some of our graduates.

Ms. Wallis efforts are vital to our community and it is with pleasure that I recommend her.

Sincerely,

Mickie Roy, LPN

To whom it may concern,

Please consider this letter as an expression of support and endorsement for Dorothy Wallis, President/CEO of Caring to Love Ministries. Ms. Wallis has been a staple in the state of Louisiana for over 30 years. Caring to Love Ministries has helped thousands of ladies over the past 30 with their pregnancy needs.

As an allied health school in Louisiana, Virginia College has tremendous respect for any institution that educates, directs and supports ladies in medical crisis. The counseling that is provided through Caring to Love Ministries is monumental in assisting these young ladies with options regarding their pregnancy and other life decisions. There is truly compassion and dedication required to do this type of work and it is apparent that Ms. Wallis along with her counterparts possess these traits.

It is my honor and pleasure that I can recommend Dorothy Wallis. If you need any additional information, please feel free to contact me,

Sincerely,

To Whom It May Concern:

I am writing this letter to express my sincerest support of Dorothy Wallis, President/CEO of Caring to Love Ministries, Inc., Baton Rouge, Louisiana. Our Baton Rouge campus had been in a contractual relationship with Care Pregnancy Clinic for over a year and would continue to be however, we have experienced a teach out of all of our medical programs. Currently, the Care Pregnancy Clinic continues to interview and hire our Medical Assisting and Medical Billing and Coding graduates. The experience our Medical students received at this clinic was beyond any of my expectations. Mrs. Wallis is an amazing leader and she has created an atmosphere that is both professional and educational.

In my personal dealings with Mrs. Wallis, she has been nothing short of amazing. I admire her professionalism, compassion, and faithfulness to helping women deal with unplanned pregnancies. Her level of commitment and dedication to this cause is phenomenal. She will be a great asset to any program.

Please accept this letter as my **full** support and endorsement of Dorothy Wallis. If you need any additional information, please feel free to contact me.

Sincerely,

*Melanie Wallace*
